## CRIMINAL COMPLAINT

Jesus MARTINEZ-Lopez

Case Number: M-16-1635-M

YOB: 1961

COC: Mexico

Name and Address of Defendant

I, the undersigned complainant state that the following is true and correct to the best of my knowledge and belief. On or about September 4, 2016 in Starr County, in the Southern District of Texas defendant(s) did,

being then and there an alien, who had been previously **deported/removed** from the United States in pursuance of law did therefore knowingly, willfully and in violation of law attempt to gain illegal entry into the United States, the Attorney General of the United States and/or the Secretary of Homeland Security, not therefore having consented to a re-application by the defendant for admission into the United States,

in violation of Title 8 United States Code, Section(s) 1326

I further state that I am a(n) Customs and Border Protection Officer and that this complaint is based on the following facts:

The defendant was apprehended at the Roma, Texas Port of Entry attempting to enter the United States illegally by walking through a commercial bus lane. During the initial encounter, the defendant claimed that he was a Legal Permanent Resident of the United States. He was escorted into secondary for further inspection.

In secondary, database queries revealed the defendant was last deported/removed to Mexico on 06/20/2012 through Laredo, Texas. Records show no evidence exists of the defendant having obtained permission from the United States Attorney General or the Secretary of Homeland Security to re-enter the United States. The defendant is a citizen of Mexico and has no legal status in the United States. On 0/08/2009, the defendant was convicted of 8 USC 1326, and was sentenced to 41 months confinement, and 36 months supervised release term.
